WHAT WE'RE DOING

Your safety is our number one priority. We have implemented various policies and procedures to mitigate the risk of virus spread. You will notice that items are individually packaged. We are able to offer buffets, receptions, and plated events with all items served to mitigate cross-contact risk. Our team members will be wearing proper PPE and station set-ups have been modified for social distancing services. Please allow as much lead time as possible to help in making your event great.

PRICING

Pricing is per guest unless otherwise stated. Some menus require a minimum number of guests to order. We require a 48-hour notice and headcount guarantee for all catering orders. Should the guest count decrease or the event is cancelled less than 48-hours in advance, the requesting group will be charged for the guaranteed number.

CANCELLATIONS

Cancellations require 48-hour notice. Any cancellation that is less than the required notice is subject to the event charge. Please reach out to us and let us know if there are any changes.
