

Before you book...

Please check your order ticks all the boxes:

- Is your order to a campus location?
- Have you given us enough notice? We need five working days' notice for a weekday delivery and 15 working days' notice for a weekend delivery.
- Will your order meet the minimum spend? You'll need to meet £40 per drop* for a weekday delivery and £150 for a weekend delivery.
- Have you read our FAQs?

*If your order is below the £40 threshold for weekday deliveries then please use your business wallet to purchase food/beverages in any of our outlets across campus.
